

Two Worlds

I was born with hereditary Deafness, which means I have experience in deaf cultures, and British Sign Language is my innate language.

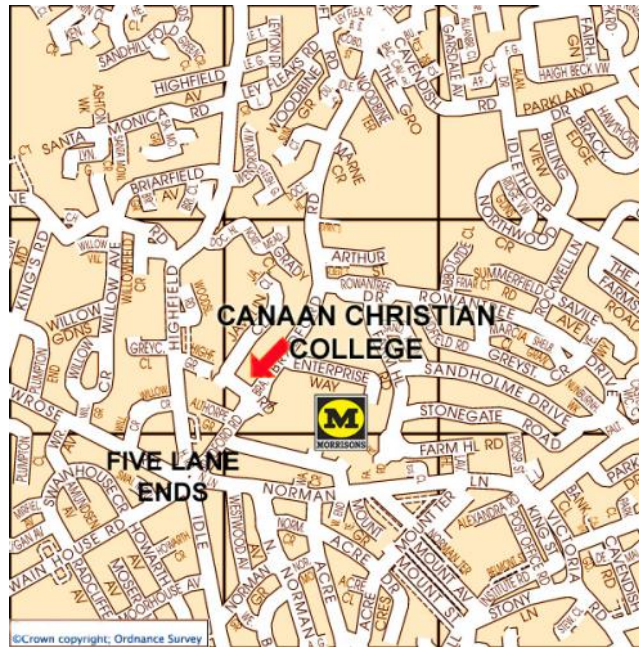

I am a Deaf Representative for Bradford and District which includes working with Disability Strategic and Physical Disabilities and Sensory Needs Partnership Team (PDSNPT) This enables the breaking down of barriers and improves access for the Deaf Community.

I have an active role as parent Governor at Thorn Park School for the Deaf in Bradford and am also on the Governors' Committee for Bradford and District Association of Deaf people.

I am a B.S.L. Guide Tour Presenter for Museums in Bradford District (Bolling Hall, Industrial Museum, Cliffe Castle in Keighley and Manor House in Ilkley) I am also a signer for Bradford Council's website.

We used to have two worlds, one belonged to the Deaf Community, the other belonging to the hearing Community, those two 'Worlds' are combining closer and closer together , and I hope that one day, there will be one World where Deaf people and hearing people are as one in society - to be able to communicate with both worlds!
