

Men's Breakfast with Chris Hardy

COME and HEAR – CHRIS HARDY

Next Men's Breakfast Speaker at Church on the Way (Idle)

SATURDAY NOVEMBER 9th 2019 (9.00am)

Theme: 'From Hate to Freedom'

'Hate poisoned every part of me, even to the point of joining one of Britain's most feared neo-Nazi gangs where hate took me to the brink of attempted murder. It was the unconditional love of my son that eventually forced me to evaluate my situation, but depression and three and a half years of mental institution meant I could find no forgiveness for my actions; until a supernatural encounter on a hillside melted my heart and God started to show me how love and grace was the avenue out of my inner death sentence' (Chris Hardy)
